

Hacettepe University: Campuses, Faculties, Hospitals and Schools

Hacettepe University has 4 Campuses. Sıhhiye, Beytepe and Beşevler Campuses are within the city centre, while the Polatlı Campus is located in the suburb of Ankara named Polatlı. Sıhhiye Campus is located in the historical district of Ankara. This Campus is within walking distance to many city centre areas e.g. shopping, restaurants, cultural activities.

Sıhhiye Campus can mainly be considered as a **Biomedical/Health Sciences Campus**. The hospital complex is one of the largest in the country and 24 hours emergency service is available. Dentistry Hospital and Oncology Hospital are also located within the Sıhhiye Campus and have their own building complexes. Hacettepe hospitals have Joint Commission International Quality Approval. In all campuses additional health centers are also available.

Beytepe Campus is at 14. km of Ankara Eskişehir highway and is approximately 20 km to city centre.

In Beytepe Campus, there is a Hacettepe Technopolis and Technology Transfer Center, and a Project Support Center.

Language, Education & Training:

Some faculties and departments provide education and training in Turkish, while there are other faculties and departments which provide education in English, French or German.

The center for language studies (TÖMER) serves international students in learning Turkish. The School for Foreign Languages provide long-term, short-term and intense language courses and proficiency/qualification exams. An online course for computer-supported language training (BILDIL) has recently been started.

Distance Learning:

Hacettepe University has international collaborations with many leading universities of the world and on-line distance learning courses are available.
