

# Facilities for Students

## Accommodation & Living Costs

There are various facilities for accommodation in both campuses. The two dormitories in Beytepe Campus can host 3,472 students. The costs range between 205-310 Turkish Lira, 115-170 US Dollars. In addition there are two guest houses in Sıhhiye Campus (capacity: 292 rooms), student homes in Beytepe Campus (capacity: 1,880 students) and two private dormitories (1,340 students). With new investments the capacity of accommodation will double in the very near future. More than 12 private dormitories (capacity 56-100) can be found in the neighbourhood of our University. Off-Campus housing (rent and utilities) is around 270-350 Turkish Lira, 150-200 US Dollars. Per person for a 3-bed room apartment (shared with 3 students). In University dormitories and student homes all necessary services (food, ironing room, washing & drying room, computer halls, dental laboratory for students of Dental faculty, internet and telecommunication, hot water, automatic security systems, daily cleaning, Tv, etc..) are available. In Beytepe Campus students can reach to a shopping mall within a walking distance. Students can benefit from the 6 cafeterias (capacity: 8,400) in both campuses for breakfast, lunch and dinner for 7 days a week. The 4-course menus are determined by dietitians and cost for 1 Turkish Lira (approximately 0.5 Cents). In addition there are many cafeteria and restaurants in the campuses. A student may need 200-400 US Dollars for monthly expenses (accommodation, food, public transport and books).

## Transportation

There is a public bus (no: 230) between Sıhhiye and Beytepe Campuses. Students are provided with free transportation between the two campuses. For Sıhhiye Campus there is also subway and train. Detailed information for the public transportation to Beytepe Campus can be found at [www.hacettepe.edu.tr/TR,6252/ulasim.html](http://www.hacettepe.edu.tr/TR,6252/ulasim.html). Beşevler Campus is in Beşevler and can easily be reached by subway (1-2 minutes) walk from Beşevler metro station.

## Libraries

There are two main libraries in both Campuses, where students can reach to more than 360,000 books, periodicals, electronic publications, audiovisual materials and more than 1,000 journals. With mobile library facility, it is possible to reach to the libraries on-line, download material and manage library account. Undergraduate and graduate students can have free photocopy (with HUCARD) in designated machines. Libraries are open for 24 hours and students are provided with free snacks and tea. In Beytepe Campus service and guidance for special-in-need students is also available. The medical library collection includes printed and electronic material related to general health services and also on special topics such as evidence-based care. In the library of Hacettepe Conservatory there is a rich collection of materials regarding Classical music and Turkish music.

## Computer Services

In many parts of the University, there are free computer halls for the students. In Sıhhiye Campus the central computer laboratory has 70 computers, in various departments 107 computers and in Beytepe Campus 650 computers are available. For special-in-need students there is a computer laboratory available in Faculty of Literature.

## Health Services

In Sıhhiye, Beytepe and Beşevler Campuses there are health centers where physicians, dentists, physiotherapists, psychological counselors, nurses, social service experts, laboratory and radiology technicians provide medical services including emergency services (24 hours). Psychological counseling service for students started on 2012.

## Sports

In Sıhhiye Campus there is a sports hall (suitable for basketball and volleyball - with the capacity of 500 audience, aerobics and table tennis rooms). In Beytepe Campus there is a sports hall (suitable for badminton, volleyball, basketball and handball), open tennis courts, facilities for athletics, volleyball and basketball and a football stadium.

The University also has a ski and winter center in Elmadağ (30 minutes from city centre Ankara). The University's basketball team is the only university team playing in the National Basketball League.
